Type: Stretch Tent | **Colour:** Chino Brown | **Modular:** No

www.devonpartymarquees.co.uk

The Arachnid is a stunning 8-sided stretch tent. Unlike the other tents in our collection, which are all white, this striking and luxurious design is finished in a light chino brown. The octagon-shaped layout is both large and spacious; and what sets this apart from other stretch tents is the ability to add walls to each of the 8 side openings. This system means the tent can be completely closed down without losing space. The Arachnid will come with a set of clear window or side panels, each has a central zipper so they can be opened and rolled up.

8-Sided Arachnid

Dimensions

20 m ø
66 ft ø

Surface Area

330 m²
3552 ft²
